There will not be a daily rate. Campers must be registered for a week at a time and pre-pay for the week. No refunds will be given for missed weeks. Campers need to bring a packed lunch and 2 snacks every day except for Friday. Please make sure the campers have ice packs in their lunches as we will be eating outside at parks frequently. It is recommended to have a towel, water bottle, swimsuit, extra clothes, sunscreen, flip flops, and sneakers packed every day in the event our schedule changes. Some on-site activities include water balloons and other activities that could get messy!

Campers are permitted to bring personal electronic devices; however, we cannot be held responsible for lost, stolen or damaged personal belongings.

There is a small snack stand at After School Kicks with candy, chips, soda, water and Gatorade for purchase. Campers can bring money daily or parents can put money on a "snack account" for their children.

*** Highland Rec Aquatic Center has a snack bar so the campers can bring extra money if they would like a snack.

*** "Fun at Kicks" = Bounce House, water play, games and races, special snacks, field games, basketball, foosball, ping-pong, arts and crafts.

Campers must arrive no later than 9:30. We will not accept campers after 9:30am unless prior arrangements are made with management. We need to leave campus timely to get to our scheduled off-site events.
*We expect the campers to participate in activities and field trips. So please review the weeks activities prior to registering.

**Schedule is subject to change depending on group sizes and weather.

We are working on adding additional field trips and special guest programs at Kicks.
